

# Pastor Linda Bergling 75 years

Arken Bible Center in Stockholm Sweden is a non-denominational evangelical charismatic congregation and faith based ministry, founded in 1986 by its pastors Gunnar and Linda Bergling.

Pastor Linda Bergling is co-pastor in Arken, the founder and Principal of the Bible school "Jesus Heals and Restores" and the Healing centre of Arken as well as an appreciated Healing evangelist, Bible teacher and speaker all over the world.

Faithfully and wholeheartedly Linda Bergling has served in full time ministry for God in 50 years, training leaders, pastors, intercessors and congregation members in the Biblical Healing ministry. She has given her life to serve the Lord, not with human wisdom but through the power from Jesus Christ and in the anointing of the Holy Spirit.

On January 8th 2023 she is celebrating her 75th birthday. Most of the celebration will take place during the Miracle conference in Arken in July 2023.

## **Linda's dream**

Ever since Linda started her ministry for God, she has had a heart for helping vulnerable and needy children throughout our world and a goal to finish "building 100 houses for Jesus" (children homes, schools, clinics etc.) in many different countries.

For her anniversary she asked for gifts to the mission work, to be able to finish the 100 houses and also to build and start Healing centers in 15 nations.
